**POSITION OF LAID MARKS**
The positions above are approximate positions / vicinities and may be located differently such as to avoid BYS racing.

Subject to conditions, the Race Committee will attempt to set some windward legs. This will by done by setting the laid pink marks approximately within the oval boundaries. Change of course signals will not be used unless marks are subsequently moved.

GENERAL INFORMATION ABOUT SHORTENING OF COURSE
Races are shortened using RRS 32 and Race Signals
Shortening of the course for a particular division will be signalled by a Race Committee Vessel (RCV) displaying code flag S and the class flag at a mark of the course. When the Committee vessel does not display a class flag, the race is shortened for all classes. Boats shall finish between the nearby mark and the S flag on the RCV.
