

Chief Executive Officer – Sorrento Sailing Couta Boat Club

Sorrento Sailing Couta Boat Club has been providing members and guests with unforgettable experiences, since 1948.

Located on the beach at Sorrento, a 90-minute drive from Melbourne, the Club is recognised as one of Australia's leading sailing clubs. Its focus has always been on creating a family friendly environment, with sailing and high-quality hospitality, important components of this vibrant Club.

The Club is well-positioned for continued growth and success. This includes recently assuming responsibility for hospitality operations, and a \$6M clubhouse re-development project expected to commence in early 2021.

The Club is now seeking a Chief Executive Officer to lead it into a thriving future. You will be actively involved in all aspects of the Club, responsible for all operations, strategy execution, and driving the Club's financial performance and position. This will provide a solid platform on which to undertake the clubhouse re-development.

To be successful you will possess the following key performance attributes:

- Demonstrated leadership with a focus on delivering high-quality member and guest experiences by a high-performing service team;
- An innovative and commercial approach, with a track record in effective club management, particularly hospitality, events and infrastructure development;
- A strategic focus, with successful development and execution of strategic and annual business plans; and
- Be highly capable at financial, administration and compliance management.

Also, you will have a relevant tertiary qualification (such as finance, management, marketing or hospitality) and excellent organisational skills, with a willingness and versatility to work collaboratively with the Club's committee, sub-committees and service team. It is essential that you are friendly, independent and motivated with strong communication and personal skills that match the Club's culture.

Experience or interest in sailing is welcomed but not essential.

An appropriate remuneration package will be offered commensurate with the role.

Applications are being managed by Guy Chapple and close Friday 5 July.
