Laser hull number #201501 for sale . A low number laser available

for sale. This boat has raced multiple state and national titles and has been highly competitive throughout its entire ownership. Fantastic boat for anyone who is looking to step up to a competitive state and national level or just get out on the water after months of lockdown. Has been well loved and sailed out of RBYC, PMYC and SSCBC

Due to COVID and now living interstate, boat hasn't been on water since January 2020. Price is reflective of this. Due to ongoing restrictions, organising inspection may take some time. Boat located at Port Melbourne Yacht Club
